

Footprints in Pixie Dust

Family, Food Allergies, Travel and Entertainment

~ TINA M. BROWN, FAMILY AND TRAVEL WRITER ~

ABOUT FOOTPRINTS IN PIXIE DUST

Footprints in Pixie Dust is a site designed to empower families who love to travel, especially those families managing food allergies. By sharing the "footprint" we've left behind at various venues and destinations, I hope to encourage, motivate, inspire and educate others to explore, enjoy and walk with confidence.
